

# **An Angel From Heaven**

Jack will always send his love, along  
with kisses from above.

He can slide down rainbows, and send  
hugs as he goes.

Jack can play by the sunrise, and he can  
look into your eyes.

He is one of God's special angels, and he  
can pet any sea gulls.

He is never far away, because he  
watches every day.

Jesus is Jack's special guide, and he will  
always be by your side.

Jack can sit on an eagle's wing, as he  
listens to the angels sing.

Jack is a special boy,  
who always brings love & joy.

**In memory of Jack Larson – 3 years old.**
